

LIVED EXPERIENCE SPEAKERS

YOUR STORY CAN MAKE A DIFFERENCE.

For some people, sharing their story is a powerful way to create change. We are looking for veterans who would like to represent Fighting With Pride by sharing their personal experiences with organisations, professional groups, community audiences, and others.

As a Lived Experience Speaker, you could help:

- Raise awareness of the experiences of LGBTQ+ people in the Armed Forces
- Help organisations understand the impact of the historic ban and its legacy
- Educate audiences about the experiences of LGBTQ+ veterans and serving personnel
- Challenge assumptions and reduce stigma
- Help organisations become more inclusive and welcoming
- Inspire positive change through your own experience

Your story belongs to you. You decide what you share, who you share it with and how you want to be involved.

We will provide appropriate support and preparation for volunteers undertaking this role.
